P. SUBBA RAO,
Executive Engineer.

MISCELLANEOUS DEPARTMENTS

DEPARTMENT OF AGRICULTURE, MYSORE STATE.

PADDY BREEDING STATION, NAGENAHALLI.

Notification dated 1st December 1936.

Sealed tenders for the purchase of the Paddy varieties mentioned below on the Paddy Breeding Station, Nagenahalli (about six miles from Mysore, on Mysore-Bangalore Road) will be received at the Office of the undersigned up to 2 P.M. on Monday the 21st December 1936. The tender will be opened on the same date at 3 P.M. before such of the tenderers that are present at the time and the rates will be read out before them.

2. The tenders should be superscribed, "Tenders for the purchase of Paddy on the Paddy Breeding Station, Nagenahalli," and should be accompanied by a treasury challan for the deposit of Rs. 75 in favour of the undersigned as earnest money in default of which tenders will be rejected.

3. The rates offered should be per candy of 160 standard Government measuring seers.

4. The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

5. The name of the successful competitor whose tender has been accepted will be informed and he should make arrangements to take delivery of the stock within one week of such information. The deposit of the unsuccessful tenderers will be returned.

6. Each variety of paddy will be considered as a separate item and the rates accepted for each.

7. The delivery of the paddy will be on the Farm premises and the purchaser will have to make his own arrangements for its transport from the Farm.

8. The payment should be made in full on the spot at the tendered rates for such quantities as are removed from the Farm. The deposit amount will be adjusted when the last consignment of stock is removed.

9. The paddy will be measured and delivered by the Farm staff and with the standard Kolaga used on the Farm.

10. Failure to comply with the above conditions will entail forfeiture of the deposit amount and the produce will be sold at the risk of the successful tenderer who will have to make good any loss that may be caused by the resale and shall by no means participate in any profit which may accrue thereby. The loss, if any, caused by such resale will be recovered as if it were any arrear of land revenue.

11. The quantities noted below are only approximate and cannot be guaranteed.

1. G. E. B. 24 .. .. 4,420 seers.
2. Other fine types .. 3,480 ,,
3. Medium types .. 2,308 ,,
4. Kaddi types .. 3,702 seers.
5. Hullokalu .. .. 1,440 ,,

Total .. 15,350 Seers.

V. K. BADAMI,
Deputy Director of Agriculture.
